## Why join LTNA?

Lincoln Terrace Neighborhood Association strives to make Lincoln Terrace a beautiful and safe place to live. We want to encourage you to get to know your neighbors through a variety of social opportunities. It is one of our goals to inform you of our events, general information in the neighborhood and decisions made by the Zoning Commission. The income from your dues helps us provide you with newsletters, invitations and signs as well as providing refreshments for social functions. If you haven't joined for 2012, please complete the attached form on the back and get involved! We need you!

## Note from the President

Although I am a relative newcomer to Lincoln Terrace and Oklahoma City, I am honored to serve as the President of this organization. Our Officers and Board are anxious to serve at the discretion of the community. We look forward to providing our area with beautification projects, neighborhood on patrol and social opportunities to allow us to connect with one another. We will do our best to keep you informed and do not hesitate to let us know if there is a special project for us to consider. We encourage your participation in all of our activities. We cannot do this alone, we need your time, effort and energy to have the most impact in our neighborhood. Please call or write me with your ideas or suggestions.

## Neighborhood on Patrol

*Beverly Davis is ready to keep an eye on the neighborhood. We need your help!*

We need you to make our Neighborhood on Patrol group successful! We need to be proactive by helping ourselves and those around us. If you see something that is suspicious or not "quite right", call the Police at 911. It is important to know your neighbors and what is going on around you.

In an effort to keep an eye on our neighborhood, the association started a Neighborhood on Patrol group several years ago. Volunteers were trained by the OKC Police Department and committed to shifts to patrol our streets. Do you think this important? Would you volunteer to help in this endeavor? Please let Ginny Morris [vlm73104@yahoo.com](mailto:vlm73104@yahoo.com) know and she will get you signed up!
